IEEE Region 3 Area 4 Report

Paul Kuban - March 21, 2022

- Reached out to Sections for introductions, current officers, student branch volunteers, and SoutheastCon attendance. I have heard back from only a few of my 8 Sections. Hopefully, I can establish better communication after the SoutheastCon Area 4 meeting.
- Assisted with Evansville-Owensboro Section on new Treasurer's reporting.
- Discussed with Lexington Section regarding a possible video meeting about the MOVE response to recent Ky tornado.
- Assisted with NASA Webb Telescope webinar, hosted by E-O Section. We had a great turn out, with over 100 attendees.
- Registered for my Concur account and was approved.

Best Regards,

Paul K
