3. Working on using Collabratec as a cloud solution for sharing documents among volunteers.
4. Working on putting together a senior member drive.
5. Planning to get back to having our annual “Winter Social” meeting in December.

Notable Section Activities (Positive/Negative):

1. Success with our March hybrid technical meeting. 27 attended in-person and 42 virtual. This requires a lot of planning and logistics. Thanks to some great volunteers for pulling this off.
