Columbia Section Recent Accomplishments

- Columbia Section 50th Anniversary commemorated with presentation of 50th Anniversary Banner to Dr. Stevo Bozinovski past Chair Columbia Section.
- Inaugural organizational meeting of the Columbia Section Life Member Affinity Group was the focus of the Cola Section April Meeting
- Planning of the Summer Solstice Get Together (Winter Holiday Party replacement) is progressing. This will be the first in-person meeting of the Cola (Columbia) Section since the COVID restrictions disrupted in-person meetings.
- Upcoming Technical Meeting Thursday June 2 on “Software as a Medical Device.”

Columbia Section Goals and Challenges

- Work in progress on SSIT Chapter.
- Top 2022 Goals:
 1. University of South Carolina Laboratory Open House Fall'22 (postponed from Fall'21 semester) if mandates are not re-instated.
 2. Solstice '22 Barbeque Get Reacquainted Party (replacing Winter Party)
 3. Increase Technical Meeting Attendance
 4. Reestablish cross registration of Technical Meetings with
 - University of South Carolina (UofSC) Mech, Civil, and Nuclear, CompSci Departments, and
 - South Carolina State University (SCSU) Engineering/CompSci
