Dt: 16 May 2022

The Strategic Operations and Support Committee (SOSC) had its most recent meeting on 2 May 2022 using WebEx.

The committee reviewed recent activities from SoutheastCon 2022. Director Brunasso noted that the Region activities at SoutheastCon 2023 will likely be one day shorter since it is a Sections Congress year.

Minor updates to the “calendars” for a few positions were updated based on issues discovered. These are intended to help officers and committees plan and execute their missions.

The committee continues to collect and refine proposed changes to the Operations Manual. Based on the present work, it looks like a new version of the Operations Manual may come forward for approval in the September time frame. If anyone has suggestions for changes, please forward them.

The group received and discussed reports from the various mentors to R3 committees:

- Awards and Recognition Committee - Gregg Vaughn
- Member Communications Committee - Jill Gostin
- Conference Committee - Jim Conrad
- Finance Committee - Mary Ellen Randall
- Section Support Committee - Bill Ratcliff
- Professional Activities Committee - Lee Stogner
- Student Activities Committee - Pat Donohoe
- Area Chairs - Eric Grigorian

Please keep the volunteer mentors in the loop and make use of their corporate memory and experience. They are there to help your committee be more successful.

The next meeting of the SOSC will be on 6 June 2022.
