Date: 20 JUN 2022

The Savannah Section is the only Section in Area 2 that didn't send a representative to SoutheastCon 2022. Savannah only has one officer listed in vTools and hasn't entered any Events into vTools for over 2 years. I recently connected with Chris Hardy, the lone Savannah Officer, via LinkedIn. I'm trying to set up a phone call with him to discuss how the Region can help the Savannah Section recover to active status. I've downloaded the Savannah Section member list from OU Analytics. There are 174 members. Hopefully with Chris' help, we can target some potential officers and other volunteers. I may set up a trip to Savannah for a face-to-face recruiting meeting.

Best Regards,
