Hello All,

Here's what we've been up to in the previous few months:

I've been working with all area sections to coordinate a MOVE tour for the fall. Met with the MOVE representative Loretta Arellano to get things rolling and discussed the next steps with Mary Ellen Randall and Justin Baba from Central Tennessee.

Worked with the Evansville-Owensboro Section to arrange a distinguished speaker to present on setting up microgrids in rural India. Also invited the area sections to participate via Zoom. Planning was too late to do a national invite.

Also confirmed that our local section was reimbursed for SoutheastCon mileage.

Best Regards,

Paul Kuban

Area 4 Chair

Evansville-Owensboro Section Vice-Chair
