

Past Director's Report
To: R3 ExCom, R3 Committee, R3 SOSOC
Subject: Region 3 Past Director's Report
Date: 20 June 2022

We have a very important ExCom meeting coming up on 20 June! At the end of the meeting, we will go into executive session with voting members of the ExCom only. The ExCom will be selecting the candidates for the slate for Region 3 Director-Elect 2024-2025, to be presented at a called meeting of the R3 Committee (date is TBD). The Committee will then endorse or reject/send back the slate. Once approved, the slate is sent to IEEE staff. They will gather information from the candidates as needed. The election will be Aug-Oct 2023.

The June Board Series will be held in Bellevue, WA later this month. I'm looking forward to seeing fellow volunteers face to face again! I will be attending multiple Board meetings, committee meetings, and Assembly meetings, and also plan to hold some one-on-one meetings with specific Directors to discuss various current and future agenda items.

I had the pleasure of attending the WIE International Leadership Conference in early June, on behalf of my employer (supporting an exhibit booth). It was my first time attending the conference, I greatly enjoyed the diversity of the attendees and the many conversations that I was able to have. There were also excellent keynote speakers, and very informative panel discussions. I encourage all of you to find a way to participate in the future!

Respectfully submitted,
Jill I. Gostin, Region 3 Past Director
IEEE VP-Elect, MGA
