Area 1 Report for R3 EXCOM meeting 15AUG22

IEEE Region 3 EXCOM,

Since our last EXCOM I have met another time with some of the Central North Carolina Section officers and a member to discuss requirements and resources to revitalize the section. They are all committed to getting the section back on track. They have an ExCom meeting scheduled for 24AUG22 and are in communication with the region about member led community projects. They are also looking to support WIE Forum attendance from at least one member of the section.

I have no requests or emergency issues to bring up from the Area 1 sections.

Cheers,

Jamie
