IEEE R3 Richmond Section Report

Aug 15, 2022

Issues requiring action by the Region 3 Committee or ExCom

None at this time.

Successes/Opportunities for Engaging the member, volunteer, non-member, public

- The Richmond Section YP Affinity Group and the Richmond Chapter of the Industry Applications Society hosted a tour of [Babylon Micro-Farms](#) followed by a social event.
- The Richmond Section assisted Virginia Commonwealth University by providing a mentor and judge for their data science challenge for high school students.

Notable section activities (positive and negative)

- The Richmond Section ExCom started prioritizing activities that it will work on as members, especially student members, become more active following their breaks for the summer.
- Most other activities have been on hold for the summer

Thanks,

Allen
