

SECTION REPORT

Central TN Section

Date: 11/14/22
Prepared By: Mike Puckett, Chair

Issues requiring action by the Region 3 Committee or ExCom:

1. None

Successes/Opportunities for Engaging Members, Volunteers, Non-members, Public:

1. Finally found a good place to have meetings. After COVID, our longtime meeting place increased the cost dramatically to the point that we must have companies sponsor the events. We have been able to use Schneider Electric meeting rooms for some meetings, but it is not a central location.
2. Good attendance at six in-person and hybrid meetings so far this year.
3. Two interesting technical meetings planned for remainder of this year.
4. Continuing to work on upgrading/updating the Section website to be more useful to members and volunteers.
5. Vice chair is working on putting together a senior member drive but he has been stalled with work related to Hurricane that hit Fort Myers.
6. Since 2019, planning to have our annual "Winter Social" meeting for this December.

Notable Section Activities (Positive/Negative):

1. None.

Notable Challenges:

1. None.
