

To: Region 3 ExCom
From: Eric Grigorian, Region 3 Director Elect
Subject: Director-Elect Report
Date: 15 November 2022

I continue my support on the Conference Committee, Strategic Operations and Support Committee, and the Finance Committee. In addition, and based on the primary and secondary support activities for various committees within the Region, I have been working with the Area Chairs for engaging the Sections and also to help revive dormant Sections. In October, I participated in the 2022 Convene and had the opportunity to meet with Joe Juisai and Varadraj Gurupur and review activities for SoutheastCon 2023. Convene provided some valuable insight and updates on how to manage and host conferences. The venue also provided a good means to interact with Technical Societies looking at new venues for hosting their technical conferences. In November, I will be participating in IEEE's Board meetings in Vancouver, BC. In December, I will also be supporting the Region 3 planning meeting.

Since our meeting in October and November, I have supported:

- Area Chair meetings,
- Worked with SoutheastCon 2023 and SoutheastCon 2024,
- Continue to support Region Director on other duties as assigned.

With this being the last meeting before the New Year, I wish all the very best of the upcoming holiday season.
