

Past Director's Report
To: R3 ExCom, R3 Committee, R3 SOSC
Subject: Region 3 Past Director's Report
Date: 14 November 2022

I am sorry to say that I will most likely not be able to participate in this month's Region 3 ExCom meeting. I am traveling to Vancouver on the 14th, to attend the MGA Board Series. I am especially looking forward to this meeting, as we begin focusing on IEEE and MGA activities planned for 2023 when I will be serving as the IEEE VP, MGA. In December, I'll be supporting Director Brunasso in her Region 3 planning for 2023.

Don't forget to mark your calendars for Sections Congress 2023 in Ottawa, Canada, 11-13 August. Sections Congress is an exciting meeting and a great opportunity to meet other volunteers from around the world, to learn best practices, to find new ideas for re-invigorating your Section, and to hear from and ask questions of highly experienced IEEE leaders. MGA will pay for the attendance of one representative from every Section. More information will be coming soon about whether Region 3 will hold a Region 3 Committee meeting there. In early 2023, we will also begin discussing and then deciding what recommendations we would like to submit. I am looking forward to attending Sections Congress 2023 and to seeing the impact it has on our volunteers – especially the first-time attendees!

Respectfully submitted,
Jill I. Gostin, Region 3 Past Director
IEEE VP-Elect, MGA
