Good afternoon,

Memphis Section For March

Opportunities for Engagement

- Leadership Scholarship Recipient named
- Working with universities to figure out new ways to assist with interest

Other Activites

- Clean up old officer memberships for affinity groups. (Some people have been named to societies. No check in from those officers - some have even moved away)
- Discussion on potentially having a guest speaker/subject expert in the coming months (this has not been something the memphis section has done in quite a while.)
- Plans for Chair to attend SEC.

Memphis Section for February

Opportunities for Engagement

- Created SoutheastCon Leadership Scholarship for local colleges. Purpose: to engage underclassman to pursue membership in

university IEEEs and participate in SoutheastCon

- First IEEE social event - first since before the pandemic. In person meeting to bring together old and new members.

Other Activities

- Memphis Section Members attended and volunteered for Engineer Week Activities
 - MATHCOUNTS
 - TSPE Engineers Banquet
 - First Lego League West Tennessee Championship - Ran by IEEE Memphis Members
- Confirmed new officers

Kind regards,

Elizabeth Hayes
Memphis Section, Chair
IEEE
