URL: <https://r3.ieee.org>

Our Mission

Focus on the growth and development of the member throughout the life cycle of the individual. Every member is an active participant, an informed and a satisfied member.

Our Vision

The Region shall fulfill the Member and Geographic Activities (MGA) strategic objectives at the local level by ensuring the enabling of the sections, chapters, and student branches to engage the member.

Theme

Reinvigorate our volunteer base.

1. Encourage all sections to hold and report at least five meetings, including an awards event, in 2023

2. Provide all sections the training and support they need

3. Ensure section operations are current (reports, officers, website) and support the new election process with vTools.

4. Encourage sections to develop and maintain a sustainment plan

5. Host a face-to-face SoutheastCon and Region 3 meetings (Orlando, Ottawa) to continue IEEE networking

6. Assist sections in the migration and use of NextGen

7. Encourage sections to support their Student Branches including an emphasis on the role of the Branch Counselor

8. Engage members through new events and (micro-)volunteering opportunities.
