

IEEE R3-AREA 3 Report MAY 22, 2023 R3 EXCOM Mtg

- **Issues requiring action by the Region 3 Committee or ExCom**
 - None
- **Success/Opportunities for Engaging the Member, Volunteer, Non-Member, Public**
 - Currently scheduled for a Careers Presentation to the joint meeting of the Canaveral and Melbourne Sections on May 31, 2023
 - I will continue to emphasize that all Area3 Chairs (with Florida Sections) participate in all future Florida Council meetings so that we can coordinate our strategies for all Florida Sections. I usually send them the minutes from the last meetings and will be inviting them to the next meeting currently scheduled for June 10th, 2023
 - Area3 Section attendants list to Sections Congress 2023 has been reported
 - My preliminary action items for Area 3 Sections include:
 - Travel to A3 Sections as often as time and travel funds allow
 - Work together as Sections to maximize our member reach, interests, training/activities/presentations and retention
 - Define the kind of activities that we can concentrate on so that we can enjoy working closely with each other as Sections for maximum IEEE overall benefit
- **Notable AREA activities (Positive and Negative)**
 - Traveled to Daytona Florida for the Daytona Section Meeting and Student Project/Competitions Reports. Excellent meeting and motivating presentations by all the students

Raul Ortega
