### **IEEE R3 ARC Report for May 22, 2023**

Nelson: I will not be able to make it to tonight's meeting. I have provided my report below.

### **General Updates**

- SoutheastCon Awards Banquet went very well! Only one recipient could not make it to the event. I have mailed them their plaques.
- Working on transition ARC Chair responsibilities to Carlos. We are planning to meet and discuss near-term duties.
  - I will continue to serve as "Past Chair" of ARC to support as Carlos learns the position.
- ARC manual needs some updates to reflect EAC award and catch any other items that missed our last review. I will lead that effort with support from Carlos.
