Greetings R3,

Memphis Section Report for March/April/May

- Represented at SEC 2023.
- April reported on finding at SEC
- May - ExCom determined to have in person meetings later in the year with guest speakers.
 - Memphis Section has not hosted speakers in several years (even pre-pandemic)
 - First round proposed with the director of the WASP Museum
 - Second Round will be Blockchain/Aerospace Panel. Possible WiE event due to the WiE members directing it. (Women in Aersospace feel free to contact me if interested. We are looking for in-person/virtual hybrid so we may be able to have guests from anywhere)

Have a great evening all!

Kind regards,
Elizabeth Hayes
