

## IEEE R3-AREA 3 Report JUNE 26, 2023 R3 EXCOM Mtg

- **Issues requiring action by the Region 3 Committee or ExCom**
  - None
  
- **Success/Opportunities for Engaging the Member, Volunteer, Non-Member, Public**
  - Currently scheduled for a Careers Presentation to the joint meeting of the Canaveral and Melbourne Sections on June 28, 2023. This meeting was postponed from May
  - I will continue to emphasize that all Area3 Chairs (with Florida Sections) participate in all future Florida Council meetings so that we can coordinate our strategies for all Florida Sections. I usually send them the minutes from the last meetings and will be inviting them to the next meeting currently scheduled for September 2023
  - Area3 Section attendants list to Sections Congress 2023 has been reported
  - My preliminary action items for Area 3 Sections include:
    - Travel to A3 Sections as often as time and travel funds allow
    - Work together as Sections to maximize our member reach, interests, training/activities/presentations and retention
    - Define the kind of activities that we can concentrate on so that we can enjoy working closely with each other as Sections for maximum IEEE overall benefit
  
- **Notable AREA activities (Positive and Negative)**
  - No activities to report due to slow summer season
