

Area 4 Report: May 1, 2023 through June 26, 2023

Summary: All Sections except Tri-Cities (inactive) and East Tennessee have reported an appropriate number of meetings. East Tennessee experienced a brief period where they were without key section officers. Through some excellent intervention by the R3 staff and Austin Albright, a full slate of section officers was identified. Many thanks to the R3 team and to our new volunteers who stepped forward. To date, 4 of the 7 active Area 4 sections have identified Section Representatives for the Sections Congress in August. Two sections could not find a volunteer to attend, and one section is still working on it.
