From: Eric Grigorian, Region 3 Director Elect  
Subject: Director-Elect Report  
Date: 26 June 2023

I have been supporting several activities including meeting with Area Chairs (6/2/23), Region 3's SOSC & FInCom meetings, R1-R6 monthly Forum, and supporting MGA as my role as Liaison to Conference Publications Committee. In preparation for the upcoming Sections Congress, I met with our Region Director, Theresa Brunasso, and finalized agenda and will be reaching out to those participating at Sections Congress to make identified presentations. In June, I also participated in multi-day IEEE Board Series meetings in Chicago.

As we are getting closer to the upcoming Sections Congress in Ottawa, I have been working with Area Chairs to identify delegates from each Section that will participate. If you have not identified individuals from your Sections that will be the primary delegate participating, please notify your Area Chair or Evelyn Liconia immediately. Also, please make sure you visit the Section's Congress website and register for the event and also for the hotel. Most of the Region 3 has been selecting Westin as the first choice, but, that hotel is already full.

In July & August, I will be participating in Sections Congress, Convene, Conference Publications Committee meeting, WIE ILC AdHoc Committee meeting, and continue to support Region 3 Director on other duties as assigned.
