• MIAMI	460 / 22
• ORLANDO	1038 / 37
• PALM BEACH	546 / 4

# Area 3 Section Interaction

## REGION 3 AREA 3 - SECTION MEETING OPPORTUNITIES

- **BROWARD** – have not had the opportunity to visit with the Broward Section but I see Mr. Eckerman more than I need to! Lucky is all.....
- **CANAVERAL** – with short proximity to each other, about 35 miles, the Canaveral and Melbourne Sections have the opportunity to meet and share meetings often. I also have the opportunity to communicate with the Canaveral Section leadership for guidance and
- **DAYTONA** – have been invited to two student excellent awards presentations with the venue at Embry-Riddle Aeronautical University. Awesome
- **FLORIDA WEST COAST** – have also attended a couple of meetings locally and participate in the virtual Senior Member Elevations
- **MELBOURNE** – the membership likes to see me travel outside the section, let them rest up!!!
- **MIAMI** – traveled to meet with the section leadership and a new section member from Chile
- **PALM BEACH** – met with section members for section revitalization strategies. Currently working on that
- **ORLANDO** – have joined the section in awards ceremonies and also due to proximity, have the opportunity to share often
