NOTE: I periodically go through the vtools past meetings listing for the year and take note of Area3 Sections that have unreported meetings and communicate this to the section so that they maximize their meetings for the year

- **Success/Opportunities for Engaging the Member, Volunteer, Non-Member, Public-Reminders**

- In addition to working with each section to maximize meetings for the year, I am working with them on the chapter level to make sure they meet that quota and maximize their rebates
- I continue to participate with the Florida Council and am currently the secretary
- All R3 Area Chairs that include Florida Sections, are invited to attend the Area Report portion of the FC meeting

- **Notable AREA activities (Positive and Negative)**

- In addition to some joint section meetings during 2023, the Canaveral & Melbourne Sections held two social events:
  - Sept. 27<sup>th</sup> : Social Event – CROKINOLE Flick & Sip, new game, great fun
  - Oct. 21<sup>st</sup> : Canaveral Section Life Member Inaugural Dinner
- Scheduled events are:
  - Oct. 24<sup>th</sup> : FIT Student Resume workshop
  - Nov. 8<sup>th</sup> : Melbourne Section Meeting
  - Nov. 18<sup>th</sup> : Social Event – SUNSHINE SLING OFF (Frisbee Golf)
- I will be concentrating on making sure all Area3 Sections are working on their elections for 2024 via vtools – According to vtools, Area3 Sections are behind in their 2024 Elections Process. Only one Section, FWCS, has an active ballot for 2024 and is in process. I have sent an email to all sections with vtools instructions and asked that they update me with the status of their 2024 Elections
