

To: Region 3 ExCom
From: Eric Grigorian, Region 3 Director Elect
Subject: Director-Elect Report
Date: 21 October 2023

As my term of Director-Elect is nearing transition to Director, I have been working with N&A on various positions for the Region 3 committees and would like to personally thank Jill Gostin for her assistance. I would like to congratulate Sonya Dillard for being elected as 2024-2025 Director-Elect and look forward to working with her for the foreseeable few years. I would also like to thank Pat Donohoe for his participation in the election process and his continued support to our Region. Since our last ExCom meeting, I have been supporting the following activities:

- Region 3 Area Chairs meeting
- Region 3's SOSC
- Region 3 FinCom, including development of 2024 budget
- Region 3 N & A for 2024-2025 appointments
- Make IEEE Your Professional Home to Grow in Your Career during IEEE Day organized by Sharleene Brown
- Conference Publications Committee meeting
- Women in Engineering (WIE) International Leadership Conference (ILC) meeting as well as chair subcommittee on conference manual.
- Engaging with SoutheastCon 2024 for potential contributors
- Engaged and met with IEEE-USA for hosting IWRC in Region 3 in 2024

As we are coming toward the end of the year, I have also been working with Area Chairs to follow-up with each Section to make sure they hold and report their meetings between now and end of the year as we are trying to meet our minimum 5 meetings for each Section and Society. Additionally, they have been planning to work with each Section to plan for the upcoming Section Elections and plan for a smooth leadership transition.

Please remember to renew your membership for 2024. Currently, for multi-year renewals, IEEE provide additional discounts!
