

Past Director's Report to Region 3 ExCom
To: R3 ExCom, R3 Committee, R3 SOSC
Subject: Region 3 Past Director's Report
Date: 23 October 2023

We are wrapping up the Region 3 N&A efforts to fill the Region-level positions for 2024-2025, when Eric Grigorian will be Director. Thank you to all individuals who are willing to help out the Region. We appreciate your willingness to serve! More information will be coming soon.

For current committee chairs that are stepping down, and for officers in Sections that are moving out of their current position (hopefully your elections are underway or already done!) – please work closely with the new individual who will be stepping into that role! Help them understand what is needed, what has worked well, challenges you have faced, and things that aren't yet complete that will need to be carried into next year. Share with them documents, templates, minutes, presentations, etc. You are their best resource, so I hope you will take the time to help them get off to a great start.

Respectfully submitted,
Jill I. Gostin, Region 3 Past Director
IEEE VP, MGA
