Cc:Ms. Theresa Brunasso <theresa.brunasso@ieee.org>;Tamseel Mahmood <syed.tamseel@ieee.org>

This is a summary report from the IEEE SoutheastCon 2024 Atlanta Organizational Committee:

- **Student Competitions** - Hardware Competition is on track and rules are finalized on the website. The SAC committee is working on the rules for the Software Competition (Hackaton) and the Hardware Design Competition. The website was updated with a description of each competition.
- **Hotel and Food and Beverage** - We have received food options from the hotel and we plan to review options and prices this week. Initial price review was in line with what was proposed as a guideline. We plan to review options next week and finalize a selection by the end of November.
- **Registration** - The decision was made to continue to use RegFox and Charles is working on the registration site. Also we are working with RegFox to integrate automated IEEE membership validation. We are planning to have the registration site up by November.
- **Registration Prices** - Based on food cost, suggested registration prices are the following:
  - Authors Members (in person / virtual): $800 / $750
  - Authors Non-Members (in person / virtual): $1050/ $1000
  - Students and LM: $200
  - R3: $475
  - Attendee Member (in person / virtual): $475 / $100
  - Attendee Non-Member (in person / virtual): $725 / $350
- **Website** - Website was recently updated and we are working on the Section and Venue Pages
