Dear Team Members,

I am currently in Region 10 for a meeting. Just want to give following updates for the R3 ExCom Meeting on 11-27-2023:

Suggestion for R3 Secretary, Pat Donohoe to add a new item 8.d to the Agenda under conferences. Life Members Committee invites all R3 Section members to participate in this in-person conference in 2024. Suggest following verbiage in red or you may shorten description.

“8.d - 2024 Life Members Inaugural Conference in Austin, Texas (14-16 Apr) - contact Kulangara (jmkulang@gmail.com); See R3 Knowledge Base segment for Life Members for registration / hotel reservation / program details.”

I'll be having a dual role as R3 LMC Coordinator and as a member of MGA IEEE life members committee (LMC) in 2024 – 2025 (s). I plan to support Region 3 and MGA IEEE LMC in the respective positions for the upcoming year (s).

(A) R3 LM Coordinator for 2024-2025:

(A1) Thanks to R3 team members, Section / LMAG Chairs who completed at least two LMAG activities per year in 2023, followed through MGA petition process for forming new LMAGs and other R3 programs of interest to life members committee (LMC). R3 Director / R3 Director Elect and the Life Member Committee (LMC) encouraged and supported to accomplish these tasks.

(A2) I accepted the offer of the Director-elect Eric Gregorian (confirmed by R3N&A Committee) to serve as R3 Life Member Committee Coordinator for 2024-2025. Thanks for Eric's confidence in me to serve as LM Coordinator in R3 to fulfill the interests of life members and the IEEE LMC during his term as director.

(B) IEEE LMC Voting Member 2024:

(B1) Director Theresa nominated me for the position of a voting member in MGA IEEE LMC and MGA contacted me to submit a follow up application

for this position. Thanks to Theresa and Kristin who encouraged me to submit the application.

(B2) I was notified by the MGA Board a few days back that I am selected / appointed by the MGA Board to serve as a voting member of IEEE life members committee (LMC) starting 2024.
