FebruaryJanuary 26, 2024

IEEE Columbia Section Report

- Milestones
 - Re-invigorated PELS Student Branch
 - Co-sponsor Senior Member Elevation Roundup
 - Developing slate of 2024 activities
 - Planning joint March Workshop with the Long Island Section on AI ethics and standards after it being postponed
 - LMAG milestone activity reported by past Section Chair Dr. Bozinovski
- Obstacles:
 - Lingering membership malaise and volunteer motivation and participation.
 - Professional responsibility of Executive officers temporarily subordinating section activities.
 - Balancing academic vs practicing engineering member perspectives and interests.
- Goals:
 - Traveling Section Meetings Highlighting Resources, i.e., careers, technology
 - SSIT Society Chapter Creation
 - Stimulate Member Volunteerism,
 - Stimulate dormant University Branches
 - Establish Webmaster team to integrate the Section, Chapter and Branch websites
 - Co-sponsor next Senior Member Roundup
