

Area 4 Report: March 5, 2024 to May 28, 2024

Summary: All sections (except non-active Tri-Cities and Chattanooga) have reported meetings for this time period. The 2024 officer report for Chattanooga is delayed, but will be coming soon. The good news is that Chattanooga does have a Section Chair and Treasurer. All sections have been reminded about the requirement for an election nominating committee and to have their officer candidates named by the end of June.

Section, Event Title	Date	Category	Virtual?
