

## Section Support Committee

May 28, 2024

The SSC will be hosting webinars each month for the rest of the year. June's schedule is as follows:

- \* June 10: Intro to OU Analytics <https://events.vtools.ieee.org/m/422133>
- \* June 17: Advanced OU Analytics <https://events.vtools.ieee.org/m/422134>

Next Senior Member Roundup:

- \* June 8: Senior Member Roundup <https://events.vtools.ieee.org/m/416787>

SSC will also be working on the following:

- In coordination with SAC, providing easy to access, one-stop information for Student Branches about their Section POCs.
- Providing ways for Life and YP to better engage
- SSC will also be helping Joe Conrad update and add to the Region 3 Cookbook on how to run various activities with a focus on breaking off *microvolunteering* opportunities
