Dear R3 Excom, Section, and YP chairs,

I wanted to inform you about two upcoming virtual events in June organized by the Region 3 Young Professionals. Since these events are online, I would love for you all to attend them and show support, since the YP team has put in a lot of effort in organizing them. Also, please encourage your section YPs and students to attend them. I have added the event details below and also attached flyers with this email.
