- ▶ Our next Roundup is programmed for September 14<sup>th</sup>, 2024, because we are finding out a lot of our volunteers want a summer off for themselves.

## Hermann Amaya R3 Senior Member Coordinator

- ▶ I founded the Senior Member Elevation Committee (SMEC) of FWCS on 09/04/2018 to provide support to the Senior Member candidates.
- ▶ SMEC through Hermann Amaya & Anthony Perales provide their nominators and Reference Providers.
- ▶ We count with a team of 100 Reference Providers Team ready to support all candidates
- ▶ We acquire and schedule the candidates for the Interview meetings we call Roundups based on the A&A Review Panel Schedule.
- ▶ Candidates and References meet online through a Zoom meeting in breakout rooms managed by our Zoom Master Anthony Perales (Atlanta Section), where they get to know the candidate and submit their completed nomination at the end of their 30 min. session.
- ▶ We have been requested by Thomas Bellarmine to support Life Members and Tom Coughlin, IEEE President Elect Candidate 2021 witnessed our program and supports it.
- ▶ To this date we have elevated over 700 Senior Members to the rank since the inception of SMEC.
