

Team,

I hope your summer included a relaxing vacation and that you're ready for some cooler fall weather. During the summer the Nominations and Appointments Committee met and will be presenting our recommended slate of candidates for Region 3 2026 Director-Elect. I hope you will join us at the meeting and cast your vote on this recommended slate of candidates.

I continue to serve on the MGA GUOS Committee, and am working with all the Region Vitality Coordinators to improve tools that Sections can use to track the health of their Sections. I'm also still serving on the IEEE Governance Committee, and we will be meeting in Minneapolis in October. After that meeting I will be back in Atlanta in October to [celebrate](#) with the Atlanta Section as they recognize their [2024 MGA Outstanding Section Award](#), their [Educational Activities Award](#), and their 120 years as an IEEE Section. I hope to see many of you there.

As classes resume across our Region, I hope you'll have time to meet with our student members. It's not too soon to start planning an [IEEE Day Event](#).

As always, my sincere gratitude for all you do for IEEE!

Respectfully submitted,

Theresa Brunasso
IEEE R3 Past Director
