Subject: N&A Update
Date: 23 September 2024

At the upcoming R3 Committee meeting on 23 September, the ExCom-endorsed slate of candidates for Region 3 Director-Elect 2026-2027 will be brought before the R3 Committee for approval. The presentation, discussion, and motion will be held in executive session at the end of the meeting. **All voting R3 Committee members need to attend for this important vote!**

For the called R3 Committee meeting, it is important that all voting members of the R3 Committee attend. Voting members of the R3 Committee include all voting ExCom members **plus all Section Chairs (or their designated representative, if approved by the R3 Director before the meeting)**. Once we have an approved slate, it will be sent to IEEE staff. They will gather information from the candidates as needed. The election will be Aug-Oct 2025.

Respectfully submitted,
