

IEEE R3 ARC Report for October 28, 2024

Devon Gayle (R3 ARC Chair)

General Updates

- The 2025 Region 3 Awards Portal, including the Cybersecurity Scholarship, is active.
<https://ieee.secure-platform.com/a/solicitations/1055/home>.
- We are now about one month away from the Region 3 Awards nomination deadline, and currently, we have not received any completed nominations. To ensure a smooth process, please begin coordinating with your sections as soon as possible to prepare high-quality nominations, including the necessary endorsements.
- With December 1 approaching quickly, we hope to receive several nominations for the Cybersecurity Scholarship in its inaugural year. So, we look forward to your help in ensuring a successful awards season!
- The IEEE-USA 2024 award nominees were judged on October 19, 2024, and the winners will be announced shortly.
- 2024 MGA Outstanding Section Awards: Currently accepting nominations thru 15 May 2025.
