  - Our Section meetings are currently scheduled for odd months, on the second Wednesday of the month with possible exceptions, Hurricanes & and other meeting conflicts
  - Our next section meeting is scheduled for December 13<sup>th</sup>, 2024 which will be the Section's Awards and Holiday Banquet
- **Notable Section Activities (Positive and Negative)**
  - We continue to participate and share with as many Area3 Florida sections as possible on our events and those events that we are invited to. Case in point is our IEEE R3-AREA3 CONFERENCE: NATIONAL CYBERSECURITY held October 5<sup>th</sup>, 2024. We had an attendance of over 60 who received presentations from seven speakers which included two Armed Services Coronels, 3 local university PHD Professors and 2 local industry cyber security experts. The conference was referred to as very timely and very informative
  - Whenever virtual events are promoted by other Area3 sections, we distribute the invitations to our membership so that they have the option to attend as well
  - Only one more meeting is scheduled for the remainder of this year:
    - December 13<sup>th</sup> – Melbourne Section's Awards & Holiday Banquet
