I am currently at the conference All Things Open (open software conference) in Raleigh soliciting patrons / exhibitors

I will be back in Raleigh in two weeks doing the same at PCB Carolina

Jim Conrad is working hard on the HKN Student Leadership Conference sponsors to get them to support SoutheastCon

Currently putting together the Industry Days (Thursday and Friday of SoutheastCon) – speakers and exhibitors

Website work to be done in the next week (Brian Page to be ‘volunteered’)

The Region 3 / NCC supplies and equipment in Atlanta to be moved to NC storage this coming Wednesday. Delay was due to lack of rental van availability in WNC after Helene.

Thanks to all who are helping out!

I may not make the meeting tonight as I am working an associated event in Raleigh to get patrons
