

# IEEE R3 Area 2 Report

November 26, 2024

## Issues requiring action by the Region 3 Committee or ExCom

- n/a

## Area 2 Section Issues/Reports

- Area 2 still have several sections that struggle finding volunteers for key positions.
- Atlanta is the section with the greatest number of chapters, 16. Other section have no more than 2 with 3 sections with no chapters and 3 sections with only 1 chapter. This limits the possibility of section to host technical meetings.

## Success/Opportunities for Engaging the Member, Volunteer, Non-Member, Public-Reminders

- Small sections were able to co-host events with other sections and achieved the minimum number of meetings

## Notable AREA activities (Positive and Negative)

- The Atlanta Section held the annual Award Banquet on Nov 8, 2024 with a participation of 70 people
- Melody Richardson led two STEM Family night events, one at Woodland Elementary and one at Ashford Park
- On 7 November, Dr. Voicu at Kennesaw UNiversity hosted a Career Catalyst Lunch & Learn event titled Building and Leveraging Your Professional Network and presented by LaRhonda Julien
