

Eastern North Carolina Section Report

To: Region 3 ExCom

Cc: Region 3 Committee

From: Magreth Mushi, ENCS Chair

Date: 27 January 2025 Meeting

Issues requiring action by the Region 3 Committee or ExCom

•

Successes/Opportunities for Engaging the member, volunteer, non-member, public

- We have developed our [2025 strategic objectives](#) and intend to focus on members and volunteers engagement
- We have developed our [2025 schedule of events](#). We are still populating it with necessary information. We plan to have all our speakers lined up April 2025.
- The section and the chapters/affinity groups held several events in 2024 as listed below

Unity	Date	Topic
Section	12 Dec 2024 06:00 PM	IEEE ENCS Awards Banquet 2024
TEMS/YP	29 December 2024 06:00 PM	ENCS YP + TEMS Sip n' Share Social
TEMS/YP	22 November 2024 01:00 PM	TEMS + YP Project/Product Panel and Early Career Networking mixer
Section	06 Nov 2024 01:00 PM	TOUR of The Math and Science Academy

Notable section activities (positive and negative)

- We onboarded eleven volunteers for different section positions that were vacant for a while. The new volunteer's orientation is on Wednesday, January 29th, 2025
- We had our 2024 Awards Banquet (thank you to Professional Activities Committee (PAC) funding)
- We partnered with two high schools' robotic teams (TMSA and Cary High School) which benefited from the XRP Robots for STEM Outreach Project.
