

To: Region 3 ExCom
Cc: Region 3 Committee
From: Sharlene Brown,
Chair, **Professional Activities Committee. (PAC)**
Subject: Professional Activities Committee Report
Date: 24 February 2025

The PAC committee had its most recent meeting on February 06, 2025.

The committee discussed its action plan for 2025. This will be shared with the Region at SoutheastCon March 27-30, 2025

We continue to work with the communication committee to promote on the Region's social media platforms information to Student Branches that they are eligible to submit a request for funding support for **Southeastcon 2025 if they have already registered for the Networking, Ethics There is no Community Outreach competition for 2025.** The PAC policy remains in place for the Student Branches where the Section has to match the funds requested by the Student Branch and also the Section Chair has to inform PAC with their approval to support the Student Branches for the fund request submitted. **Please submit requests early. We have not received much request from the Student branches and we encourage student Branches to make use of this funding opportunity.**

Sections and Affinity groups should also be advised that PAC funding requests for 2025 events continue. Please submit your PAC fund request.

There are still some Sections in receipt of funds in 2024 who has not yet submitted their final report to PAC. We are once again urgently reminding Sections, Student Branches and Affinity groups, if you have not yet submitted your final report for PAC funds received in 2024 that the final report for 2024 is now overdue and will affect obtaining new funds in 2025.

Our next scheduled PAC meeting is March 06, 2025

Respectfully submitted

Sharlene Brown

Chair R3 Professional Activities Committee
