Suggestions for the Region - 1. Recommended speakers list; 2. Partial subsidy of speaker travel expense; 3. Live Webex training for new officers.

Community involvement and engagement - 1. Regional Science Fair IEEE awards. Most popular award at the annual event. 2. Good plant tours.

We have had attendance at some of our online technical meetings. In person meetings are more difficult. We expect a very good attendance at our next technical meeting on Machine Vision.

We have a new treasurer who has been doing very well at getting up to speed.
