## 2024 Major Successes:

- We're back!
- Social Meetings: 5
- Technical Meetings: 2
- Officer Meetings: 5
- Engagement with community

# Section Report

Goals: Increase engagement from our members. Increase community outreach work. Diversify technical meeting content.

Milestones: First event with over 15 members. Increasing section membership.

Obstacles: Funding. Uncertainty. Member engagement. Outreach.

Opportunities: It is still relatively unknown that WS has an IEEE chapter by our local industry. We are working to change that to increase our presence in the area.
