The PA Committee had its most recent meeting on February 06, 2025. The committee will be audited by the R3 Operations Audit Committee (OAC). The documents requested by the OAC Chair have been submitted to facilitate the audit.

The committee is also in the process of finalizing the choice of Professional Courses for the R3 members to participate, which is in collaboration with the Education Activities Board (EAB) and R3. The selected courses will provide members with Professional Development hours (PDH) and Continuing Education Hours (CEH) certificates. The details will be provided to members as soon as they are finalized.

The PA Committee has collaborated with Section Support Committee to host a kick off information session about the Volunteer Leadership Training (VoLT) program with the Sections who nominated their Section representatives to be part of the 2025 VoLT Training program. We will have continuous engagement with the potential VoLT applicant, **May 1-June 30, 2025, to** ensure they complete the 1st track (pre-requisite/ track 1) of the program, which qualifies them **to apply** for the VoLT program. Thereafter, MGA will conduct the final selection of participants for **Track 2 of the program which runs from September - December 2025.**

Our next scheduled PAC meeting is May 01, 2025

Respectfully submitted
