

IEEE R3 Melbourne Section Report

MAY 27, 2025 R3 EXCOM MTG

- **Issues requiring action by the Region 3 Committee or ExCom**
 - None
- **Success/Opportunities for Engaging the Member, Volunteer, Non-Member, Public**
 - Our Section is working closely with all the Area3 Sections to maximize our meetings and events. Thus far in 2025, we have had 7 events with some being in conjunction with the Canaveral Section
 - Our Section meetings are currently scheduled for odd months, on the second Wednesday of the month with possible exceptions, Hurricanes & and other meeting conflicts
 - Our next section meeting is scheduled for July 7th, 2025 which will include, in addition to our regular EXCOM MEETING, a yearly summer picnic or similar function to bring the section members together for a fun and relaxing event
- **Notable Section Activities (Positive and Negative)**
 - We continue to participate and share with as many Area3 Florida sections as possible on our events and those events that we are invited to
 - Whenever virtual events are promoted by other Area3 sections, we distribute the invitations to our membership so that they have the option to attend as well
 - Three more Excom meetings are scheduled for the remainder of this year in addition to any additional scheduled events and/or meetings
 - The section is enjoying a SUPER 2025!
