Subject: Professional Activities Committee Report

Date: 27 May 2025

The PA Committee had its most recent meeting on May 02, 2025. Additional documents were submitted to the OAC Chair to facilitate the audit of the PA Committee.

The committee has selected the proposed Professional Courses for the R3 members to participate, which is in collaboration with the Education Activities Board (EAB) and R3. The selected courses will provide members with Professional Development hours (PDH) and Continuing Education Hours (CEH) certificates. The final details will be provided to members as soon as they are finalized with EAB.

The Volunteer Leadership Training (VoLT) program for the 2025 opened **May 1-June 30, 2025**, for Track 1 (pre-requisite/ track 1) of the program. Region eligible members are encouraged to complete Track 1, which qualifies **to apply** for the VoLT program (Track 2). Thereafter, MGA will conduct the final selection of participants for **Track 2 of the program which runs from September - December 2025**. We encourage Section Chairs to endorse the application for their eligible member who have applied for Track 2 of the program. Some Region members have already completed Track 1 and have applied for Track 2 of the program. There is still time to complete [Track 1](#) and apply for Track 2.

Sections, Affinity Group and Student Branches are reminded that PAC has funding to support Non-Technical Professional events (with matching funds from your Section) and encourage you to send your request for review.

Our next scheduled PAC meeting is June 05, 2025

Respectfully submitted
