

## Section Support Committee

May 2025

- Senior Membership Elevation
  - **Volunteers Wanted!** Reference providers are a key to success and a driver for how many senior membership candidates the virtual R3 senior membership elevation team can support each cycle. Please contact [r3-smec@ieee.org](mailto:r3-smec@ieee.org) if interested
  - Working on in-person senior membership round-up in Piedmonth section
- WIE
  - Attended WIE meeting in Panama City where made connections and got better understanding of how IEEE works
  - Attended WIE International leadership conference
  - This month's WIE monthly meeting is Thursday (5/29) at 7 pm ET on water treatment
  - June WIE meeting will be about IEEE Fellows program
  - IEEE WIE Day (6/23-7/7 celebration with actual day is 6/29) - working with Sri Lanka section
- Life Members
  - 3 AGs formed for total of 31 in R3
  - Life member fund from LM foundation giving out awards
  - LM conference coming up in Boston June 11-13 with great speakers including Segway keynote
    - Roundtable will be held soon to promote engagement in conference
- Cookbook
  - If you volunteered to help organize a new cookbook recipe (microvolunteering article), thank you. Please remember that we'd like to have drafts complete by the end of June.
- Projects
  - Held 2.5h meeting with 25 people in attendance (w/ some non-IEEE members) including Bingo, bridge building, and Jenga dynamic learning activities
  - Next project committee meeting will be soon
- YP
  - This year focus will be to encourage more YP volunteers at section level to participate at global level
  - YP holding a series between R1-R4 to work on projects with similar theme
- Webinars
  - Good attendance at webinar on budgeting. Recording will be posted when location identified
  - Survey for all R3 volunteers to gauge interest in the topics from SoutheastCon, as well as our topics from last year, will be sent soon
