

To: IEEE Region 3 Executive Committee or IEEE Region 3 Committee
From: Atlanta Section
Date: 22 September 2025
Report prepared by Tamseel Syed (Atlanta Section Chair)

Activities Since Last Report

- Section hosted RadarCon 2025 in May 2025.
- Working on strengthening the committees, chapters and affinity groups.
- Working on getting revised operation procedures (changing officer terms to 2 years) approved by ATL ExCom.
- Hosted several events related to Chapters, Affinity Groups, Student Activities, Member Development, Education Activities.
- Supported Robotics events at Midtown High School, KSU and GSU.
- Identified delegate for 2026 Sections Congress.
- Completed the NGBC budget template.
- Recently held MIMMS museum tour/cupcake social – Steve Welby (past IEEE COO) also participated.
- Streamlined the Senior Member elevation process (thanks to Anthony Perales).
- Recruited new Student Activities Chair/Section Liaison – Angel Ramirez (has already engaged several schools so far).
- New Computational Intelligence Society Chapter is very active.
- Initiated a Volunteer Spotlight/News column in monthly Section Newsletter email.

Planned Activities

- Bi-monthly meeting of the Section on 09/25/2025.
- IEEE Day celebrations on October 8th and 9th, 2025.
- Atlanta Section Banquet on November 7th, 2025 (includes Life Member AG felicitation in program).
- Pending Conflict of Interest form completions – working with technical chapter officers.
- Working on budget amendment to accommodate RadarCon revenue effects.
- IEEE Atlanta Elections – nomination deadline October 1st, 2025.
- IEEE Atlanta Awards Banquet – nomination deadline October 3rd, 2025.
- Interest in hosting SoutheastCon 2029 with Central Savannah River Section collaboration at Augusta, GA.
- Working on combining a couple of Chapters to Joint Chapter.

Unit Goals and Current Status

- Volunteer engagement – focus on filling Chapter Officer roles – only few chapters left with 2 officers.
- Member recruitment and retention efforts – will send out email invitations to non-active members.
- Industry engagement – planning to host Industry Day before December 2025.
- More grant funded projects – working on MGA Surplus Funds proposal for 2026.

Action Items

Requesting the same R3 allocation for Atlanta Science Festival in R3 budget for 2026

Discussion Items: N/A
