 - Our Section is working closely with all the Area3 Sections to maximize our meetings and events. Thus far in 2025, we have held over 17 events with some being in conjunction with the Canaveral Section. Also, most of the section sub groups have already achieved or planned their 2-event minimum for 2025
 - Our Section meetings are currently scheduled for odd months, on the second Tuesday of the month with possible exceptions, Hurricanes & and other meeting conflicts
 - Our next section meeting is scheduled for October 20th, 2025 which will include our Excom Meeting plus a technical presentation. The Canaveral will co-host this event
- **Notable Section Activities (Positive and Negative)**
 - We continue to participate and share with as many Area3 Florida sections as possible on our events and those events that we are invited to
 - Whenever virtual events are promoted by other Area3 sections, we distribute the invitations to our membership so that they have the option to attend as well
 - Two more Excom meetings are scheduled for the remainder of this year in addition to any additionally scheduled events and/or meetings
 - The section is enjoying a SUPER 2025!
