Date: 22 September 2025

Items for ExCom Action

None

Items for ExCom Discussion

[IEEE Day](#) is October 7th, and it's time to register your events. IEEE Day is an annual event that celebrates the first time in history when engineers worldwide gathered to share their technical ideas in 1884. One of the IEEE Day's objectives is to show the ways IEEE members, in local communities, join together to collaborate on ideas that leverage technology for a better tomorrow. All Sections are encouraged to appoint an [IEEE Day Ambassador](#) to schedule events from 29 September – 12 October 2025. Events can be technical, professional, or social. They can be in person, virtual or hybrid. All IEEE Day Events should be listed in [vTools](#), and [submitted](#) to the IEEE Day Website. Be sure to identify your event with #ieeeday and it will show on the map. As in previous years, there will be photo and video contests. More on those in the coming weeks. I'm asking our Area Chairs to reach out to their Sections and request that they participate in IEEE Day 2025.

Activities Since Last Report

MGA vTools meetings
IEEE-USA Consultant Committee meetings
IEEE Governance Committee meetings
MGA Operations Manual Ad Hoc Committee meetings
IEEE Governance OUAC/SAC Working Group meetings
Region 3 PAC meetings
Region 3 N&A meeting

Planned Activities

More of the above meetings!
Face-to-face IEEE Governance Committee meeting in Minneapolis St. Paul.

Region 3 N&A Committee Goals and Current Status

Work with Director-Elect and N&A committee to complete her volunteer team.
Current status: Only a few positions still open.

As always, I thank you for all you do for IEEE!

Respectfully submitted,

Theresa Brunasso
IEEE R3 Past Director
