

Proposed Region 3 Bylaws Motions

There are furnished files that show the proposed changes to the Region 3 Bylaws in a change-tracking format and a clean version.

The changes are minor:

1. Fix references to apply to the more recent version of the IEEE Bylaws in
 - a. ARTICLE III, Section 1, 1st paragraph
 - b. ARTICLE III, Section 2, 2nd paragraph
 - c. ARTICLE III, Section 5, 3rd paragraph
2. Change when Region 3 Committee can meet (and when face-to-face) to match current practice (including pandemic experience)
 - a. ARTICLE V, Section 2, 1st paragraph
3. Change the date of Bylaw approval
 - a. Front and end of document

The SOSC recommends these changes.

After the R3 ExCom and R3 Committee act, the Bylaws are sent to MGA for action on their next agenda (which would likely be their June 2025 meeting.)
