Activities Since Last Report

Section Election Committee formed and in process of conducting the election of Section officers. Several technical presentations were sponsored, including commemorating IEEE Day. Senior member elevation activity continues. Formation of a Computer Society Chapter.

Planned Activities

Finally, we have had some success in recruiting volunteers to the section officer positions. We have at least one nominee for each position. Section celebration planned for the incoming slate of officers once the election results are complete. Need to hold an election for Computer Society Chapter officers.

Unit Goals and Current Status

.Volunteerism remains the section's most significant challenge.
